ASSIGNMENT AND AGREEMENT

For value received, we, Shuo-Yen Robert Li of Hong Kong, China, Jian Zhu of China, Chu Man Lau of Hong Kong, China, and Wan Lam of Hong Kong, China hereby sell, assign and transfer to Ecomm, Inc., of the Cayman Islands, its successors, assigns and legal representatives (hereinafter collectively Ecomm), the entire right, title and interest, for the United States of America, in and to certain inventions related to **NEW ROUTING SCHEMES FOR PACKET SWITCHING NETWORKS**, described in an application for Letters Patent in the United States, executed by us on even date herewith, and all of the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Ecomm the entire right, title and interest in and to said Inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, Including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Ecomm to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full and legal formal equivalent of any document which may be required in any country in proof of the right of Ecomm to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Ecomm in the United States and to Ecomm in all countries foreign to the United States, or to such nominees as they may designate.

We agree that, when requested, we shall, without charge to Ecomm, but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable, or convenient with said applications, patents, or other forms of protection.
